PLAYGROUP

About our playgroups

- We provide a welcoming and inclusive environment.
- Children have opportunities to play and learn, whilst parents/caregivers can have fun with their child/ren and meet other families.
- We acknowledge that families are the most influential people in their child's life.
- Activities are created in partnership with families.
- It can be hard to obtain services and opportunities. If needed, we can support you to access what you need both whilst you come to playgroup and/or when it is time to move on (eg. to kindergarten).
- Playgroup sessions are supported by two Playgroup Facilitators with Early Childhood qualifications.

Acknowledgement to Country

We pay our respects to the Djarra People of the Dja Dja Wurrung lands, and all Aboriginal and/or Torres Strait Islander People. We thank them for looking after and loving the land.

We pay respect to ourselves
We pay our respect to each other
We pay respect to the land

What does it cost?

- Playgroups are free.

Our unique features

- Our program is based on family needs, culture, values and expectations.
- We provide safe and secure play areas, both indoor and outdoor.
- We provide waterproof pants and jackets for children to use on site.
- At playgroup children play with everyday materials, that can be easily copied at home.
- Activities, excursions and guest respond to child and family interests and needs.
- Morning tea is provided.
